

POLICY B-32.2
SECURITY AND SAFETY

Security devices may be installed at district attendance centers. Other measures may be taken to prevent intrusions or disturbances from occurring in school buildings or trespassing on school grounds. The district will cooperate with law enforcement in security matters and shall, as required by law and by this policy, report felonies and misdemeanors committed at school, on school property or at school-sponsored activities.

Reporting Crimes at School to Law Enforcement

Unless reporting would violate the terms of any memorandum of understanding between the district and local law enforcement, any district employee who knows or has reason to believe any of the following has occurred at school; on school property; or at a school-sponsored activity, program, or event shall immediately report this information to local law enforcement.

Reportable events would include:

- Any act which constitutes the commission of a felony or a misdemeanor;
or
- Any act which involves the possession, use, or disposal of explosives, firearms, or other weapons as defined in current law.

It is recommended the building administrator also be notified. A sample report form is included with this policy.

Reporting Certain Students to Administrators and Staff

Administrative, professional, or paraprofessional employees of a school who have information that any of the following has occurred shall report the information and the identity of the student to the building principal and the superintendent.

Pursuant to K.S.A. 72-6143, administrative, professional and paraprofessional employees of a school who have information that a pupil has engaged in the following shall report the information and the identity of the student to the building principal and the superintendent. The superintendent shall investigate the matter and if it is determined the student has been involved in the following, the superintendent shall provide information, and the identity of the pupil to all employees who are involved or likely to be directly involved, in teaching or providing related services to the student. The superintendent will use Form

Security and Safety Notification to Staff which staff members will be asked to sign in order to protect the right of privacy of any student under the age of 18 and the student's family.

Reportable events include:

- **Any student being expelled for conduct which endangers the safety of others;**
- **Any student being expelled for commission of felony type offenses;**
- **Any student being expelled for possession of a weapon;**
- **Any student being adjudged to be a juvenile offender for an offense, which, if committed by an adult, would constitute a felony, except a felony theft offense involving no direct threat to human life.**
- **Any student who has been tried and convicted as an adult for any felony, except theft involving no direct threat to human life.**

[DELETE: The superintendent shall investigate the matter and, if it is confirmed, the superintendent shall provide appropriate information, and the identity of the student responsible to all employees who are involved in or likely to be directly involved in teaching or providing related services to the student.]

Annual Reports

The building principal shall prepare all reports required by law. Reports shall not include any personally identifiable information about students and be presented as "aggregate" data for the building. These reports and this policy may be made available upon request to parents, patrons, students, employees, and others.

Staff Immunity

No board of education, board member, superintendent of schools, or school employee shall be liable for damages in a civil action resulting from a person's good faith acts or omission in complying with the requirements or provisions of the Kansas School Safety and Security Act.
