

POLICY C-4.4
FRAUD PREVENTION AND INVESTIGATION

All employees, board members, consultants, vendors, contractors, and other parties maintaining a business relationship with the district shall act with due diligence in duties involving the district's fiscal resources. The superintendent shall develop internal controls that aid in the prevention and detection of fraud, financial impropriety, or irregularity.

Reporting Fraud

An employee who suspects fraud, impropriety or irregularity shall promptly report those suspicions to the immediate supervisor and/or the superintendent. If the superintendent is the subject of the complaint, reports shall be made to the board president or the board's legal counsel. The superintendent shall generally have primary responsibility for any investigations, in coordination with legal counsel and other internal or external departments and agencies as appropriate. If the superintendent is the subject of the report of fraud, impropriety, or irregularity, the board shall retain control over the investigation or may designate its legal counsel or another investigator to act on behalf of the board in investigating the matter and reporting any findings back to the board.

Whistleblowers

The district encourages complaints, reports, or inquiries about illegal practices or violations of district policies, including illegal or improper conduct by the district, its leadership or by others on its behalf. Reports could include, but not be limited to, financial improprieties, accounting or audit matters, ethical violations, or other similar illegal or improper practices or policies. The district prohibits retaliation by or on behalf of the district against staff members who make good faith complaints, reports and inquiries under this policy or for participation in a review or investigation under this policy. This protection extends to those whose allegations are made in good faith but prove to be mistaken. The district reserves the right to discipline persons who make bad faith, knowingly false, vexatious complaints, reports or inquiries or who otherwise abuse this policy.

Complaints, reports or inquiries may be made under this policy on a confidential or anonymous basis. They should describe in detail the specific facts demonstrating the bases for the complaints, reports or inquiries. They should be directed to the superintendent unless otherwise provided above. If the superintendent is implicated in the complaint, report or inquiry, it should

be directed to the board or its legal counsel. The district will conduct a prompt, review or investigation. The district may be unable to fully evaluate a vague or general complaint, report, or inquiry that is made anonymously.
